**ZTechnik Introduces VStream Windshields for R1200GS Adventure!**

Since its introduction in 2006, riders of BMW's flagship adventure touring motorcycle have been asking for a windscreen with improved protection from wind and rain, particularly at highway speeds.

ZTechnik, a leading manufacturer of windshields for BMW Motorcycles, has responded with four new VStream models for the 2006-2009 models. The Patented VStream design has been proven on other BMW models including the R1200RT, K1200LT, K1200GT and R1200GS. The advanced V-shape and dimensional contours of the VStream® windshields push the wake created by the front of the motorcycle out and away more than 4 inches from the side of the rider's helmet. This wake, known as the von Karman vortex, creates noise and helmet buffeting for riders and passengers.

The view is clear through the ZTechnik VStream!

**For the first time, BMW R1200 GS Adventure riders can enjoy full protection from turbulent, noisy wind while also enjoying the optical clarity and security of a hardcoated, polycarbonate windscreen.**

Imagine riding towards the sun or oncoming headlights at night without having to look through the glare caused by the scratches on your windscreen. ZTechnik GS Adventure VStream windscreens are formed from hardcoated, 4.5 mm polycarbonate. The result is a windscreen that is 3X more scratch resistant than competitor's acrylic shields. Our polycarbonate shields are also 20X more impact resistant than even high-impact acrylic.

Rider's view through the OEM GS Adventure Windshield

**Measurement Comparison by Part Number:**

Shield PN	Vendor	R1200GSA Model Year	Height	Width at Top	Width at Top Mount Holes
46637693499	BMW	2006-2009	18"	15"	13.8"
Z2417	ZTechnik	2005-2007 Std	21"	16.9"	17.5"
Z2419	ZTechnik	2005-2007 Tall	23"	18.5"	17.5"
Z2416	ZTechnik	2008-2009 Std.	21"	16.9"	17.5"
Z2418	ZTechnik	2008-2009 Tall	23"	18.5"	17.5"

We back up every ZTechnik windshield with our groundbreaking new 3-Year Unbreakable Warranty. We are so confident in the strength and durability of our hard coated polycarbonate windshields that we will replace your ZTechnik windshield if it breaks for any reason, other than intentional abuse or chemical damage, for a period of 3 years from the date of purchase. This policy covers windshield breakage resulting from parking lot falls as well as from an accident. Please read the sticker on your windshield for care and cleaning instructions.

ZTechnik is a division of National Cycle, Inc., focused exclusively on accessories for BMW motorcycles. An industry leader in motorcycle accessories for more than 70 years, National Cycle is an OEM manufacturer of windshields and accessories for leading motorcycle manufacturers, including BMW. ZTechnik manufactures and distributes the highest quality windscreens, exhaust systems, lighting and other accessories under the ZTechnik Brand through authorized BMW Dealers and motorcycle accessory retailers worldwide.
